

**OAHCP is "Going Green!"**  
**Class Registrations on Website**

Oklahoma Association of Health Care Providers is striving to help the environment by reducing the amount of paper being mailed and used during educational seminars. Our goal is to ensure less waste, reduce cost and save a few trees!

Beginning in 2010, all educational program information and registrations will be located on the OAHCP website - [www.oahcp.org](http://www.oahcp.org) - education. We will also send out email blasts concerning training sessions being held monthly. If your facility DOES NOT receive our email blasts then please contact our office (405-524-8338) and provide your facility's email address so you can receive information regarding educational programs.

We are working towards providing on-line registration for all 2010 educational programs and convention as well. Once we are set up to provide this service, we will contact each facility.

For the 2010 "Extreme Makeover - Senior Living Edition" convention and trade show to be held April 12-14, 2010 at the Embassy Suites Norman Hotel and Conference Center, handouts will be available on our website at [www.oahcp.org](http://www.oahcp.org) approximately two weeks in advance of the program. Once registered, you will be provided a confirmation number which you will use to access the handout information. Using the website ([www.oahcp.org](http://www.oahcp.org)), log in and print the handouts of your choosing. The handouts will remain on our website for several weeks after convention so you may print them at a later date if needed. Also, if you miss a session, you can still access the information - what a great benefit!

We encourage you to make hotel reservations early for the 2010 convention. A link is available on our website - [www.oahcp.org](http://www.oahcp.org) - for hotel reservations with the Embassy Suite. It is always a good idea to make hotel reservations in advance - easier to cancel a reservation then not have a reservation. Convention dates are: April 12-14, 2010 - Embassy Suites - Norman.

As the 2010 convention information becomes available we will begin posting to our website - so check our website often; [www.oahcp.org](http://www.oahcp.org)
