

Oklahoma Association of Health Care Providers MDS 3.0 and/or RUGS IV Training Programs (2012)

The Oklahoma Association of Health Care Providers will be offering a two-day MDS workshop and a one-day RUGS IV workshop based on changes implemented October 1, 2010. This training program will offer 12 hours of continuing education for the two-day MDS training (must attend both days) and 6 hours of continuing education for the one-day RUGS IV training totaling 18 hours for all 3 days.

Agenda Day One and Two: MDS 3.0 - 9:00 a.m. - 4:00 p.m. (Attendance required both days)

Marietta Lynch RN BSN

- General requirements and definitions
- MDS 3.0 forms, 3.0 formatting and subsets
- OBRA and PPS assessment types and completion timeframes
- MDS 3.0 sections/items and accurate coding
- Care Area Assessments (CAAS) requirements

Objectives Day One and Two:

Participants will acquire a general knowledge of:

- *MDS 3.0 Users Manual*
- *Regulations pertaining to the Minimum Data Set 3.0 and required procedures for accurate completion*
- *The MDS 3.0 forms, formatting and appropriate use of the different item subsets*
- *Different assessment types (OBRA and PPS) and requirements specific to each type*
- *Accurate assessment and coding for MDS sections and items*
- *The CAA(S), CAA requirements and incorporating CAA information into a plan of care*

Agenda Day Three: RUGS IV / PPS - 9:00 a.m. - 4:00 p.m.

Kimberly Green, M.Ed., CCC-SLP

- Skilled nursing
- Skilled rehabilitation services
- Requirements for skilled care
- Prospective payment system
- Required assessments
- Resource Utilization Groups (RUGS)
- Prospective Payment System (PPS)

Objectives Day Three:

Participant will acquire a general knowledge of:

- *Medicare and rehabilitation terminology*
- *RUGS and PPS*
- *Capturing the best ARD scenario to deliver the best skilled care for your residents and to maximize reimbursement*
- *Rehab and nursing services that would best benefit a resident and guiding changes as needed*
- *Maneuvering difficult skilled situations and making strong clinical and financial decisions based on Medicare rules and regulations*

Speakers

Kimberly D Green M.Ed. CCC-SLP is a Speech Language Pathologist by background and has been involved in skilled nursing/long-term care/geriatrics for over 20 years and in the rehab industry for 13 years. She is also cross trained as a clinical specialist in physical and occupational therapy, nursing and dietary services. Kimberly has worked for some of the nation's oldest and largest health care companies and rehab providers on both the contract and customer side and the clinical and operational side, and has valuable insight on running the business from every aspect. She is also a nationally recognized expert lecturer/trainer on various topics, including rehabilitation services, skilled nursing and RUGs, LTC, dementia, restorative nursing, and special needs.

Marietta Lynch RN, BSN is presently the Director of Quality Assurance and Regulatory Services for the Oklahoma Association of Health Care Providers. She has been teaching the MDS since its implementation in 1990. In April 2010 Marietta attended the CMS MDS 3.0 National Train-the-Trainer Conference and the AANAC Conference and is bringing the information and training she received on MDS 3.0 to you. Marietta served 18 years for the State of Oklahoma. She was the State MDS Director for the Oklahoma State Department of Health as well as a LTC Surveyor, CMS State Training Coordinator, Director of Home Care Administrator Registry and Director of the Oklahoma Nurse Aide Registry.

Continuing Education: This educational offering **will be submitted** to the National Continuing Education Review Service (NCERS) of the National Association of Long Term Care Administrator Boards (NAB) for 12 hours of continuing education for the 2-day MDS training (**must attend both days**) and 6 hours of continuing education for the 1-day RUGS IV training totaling 18 participant hours of continuing education credits for the three-day program.
